A Word from Robert & Mary and Rudy – aka the 'Travel Trio'

Sincere thanks to all of you who've helped make what we do America's #1 Travel Radio Show. Over the past 5 years, as Robert & Mary have successfully assumed the main hosting duties and Rudy's transitioned to a co-host role, RMWorldTravel has pushed down our demographics to focus on travelers 35+, we've established new social media platforms, enjoy partnerships with new and loyal sponsors, and added so many new radio affiliates that our popular program is now heard on nearly 415 weekly stations reaching in excess of 1 million travelers each week! Although Robert & Mary created the program back in 2004 with a different host and grew it to 128 weekly affiliates, when they brought journalist Rudy

Maxa aboard in 2009 he helped advance the program to 146 weekly affiliates by early 2014 -- but once married travel commentators Robert & Mary Carey added hosting duties to their responsibilities of also owning/managing RMWorldTravel -- another 270 new weekly affiliates have joined the program, plus there's been the addition of our 24/7 TuneIn.com digital global channel, archived podcasts, live streaming and more. The diversity of the show content has never been stronger and the reach of our national travel program has never been greater.

There isn't another syndicated program out there that can replicate the range of items we cover each week, nor match the audience engagement delivered by the "Travel Trio." As Robert frequently says on-air, RMWorldTravel is a live national broadcast covering "Everything & Anything in the World of Travel" and whether it's industry CEO's joining the broadcast for our "Chief Travel Leader" series, travel influencers sharing the transformational/interpersonal aspects of travel via our "Personal Connection" segments, leading travel writers in our "Write-Stuff" segments, lesser known locations that we feature as part of our "Destination Spotlight" episodes, recurring Show Friends who regularly join the program, Listener EMail, "Deals-of-The-Week" segments, frequent live remote broadcasts and more -- Robert & Mary and Rudy truly do engage the nation with the "Fastest 2 Hours in Travel..."
