A Word from RMWorldTravel hosts Robert & Mary Carey ...

What a year it has been for our show fans and followers, as Year 15 of our national travel program has been its best yet! We've certainly had a busy year of travel and continued growth. A sincere thanks to all of our important show sponsors, the 410+ radio stations airing our program across the country, and our hard-working team who week-after-week help us deliver the most diverse, top-notch travel content on America's #1 Travel Radio Show.

We'll be broadcasting live from Miami around Art Basel in December, and that will cap off a year that's included live remotes from NYC, London, Guernsey, Paris, Bologna, the Seabourn Odyssey near Greece on the Adriatic Sea, Los Angeles, New Orleans and Gulf Shores.

We pride ourselves in consistently offering a live broadcast that covers "Everything & Anything in the World of Travel" – as it's our objective to engage travelers of all types and educate, entice & empower them to go experience the world. We believe that when this happens we're all better because of it. Travel is a connector, a uniter, and the economic engine for the vast majority of the world.

Over the course of each year the two hour long-form version of RMWorldTravel presents 520 different original show segments, plus we also create another 260 topical daily travel commentaries as well. More than 50% of the weekly program remains flexible for us to adjust our content as needed, while the remaining show segments are defined by recurring series that are popular with our show fans/followers. Special guests appearing in our exclusive "Chief Travel Leader" series this year include - Ninan Chacko, Valerie Wilson, Roger Dow, Kenny Jacobs, Bill Murnane, Robert Gallagher, Bruce Poon Tip, Filip Boyen, Gebhard Rainer and others. The "Personal Connection" series has featured Steven & Robert Cucuzzo, Kristin Francis, Melissa Giller, Susan Miller, Susan Sygall, Eric Giuliani, Pete McBride & Kevin Fedarko, Phil Rosenthal and more. Our "Destination Spotlight" series focuses on lesser known locations we feel are worthy of your travels from our personal experiences, and has featured St. Augustine, Newport, Carmel, Des Moines, Philadelphia, The Outer Banks, Anchorage, Santa Fe, Baton Rouge, Phoenix and others. Top travel authors joining the "Write-Stuff" series have included Paul Theroux, Andrew Zimmern, Richard Ratay, Dan Albert, Johnny Welsh, Guy Sibilla, etc. And don't forget our Showcase Segments, Show Friends, listener EMail, Deals-of-The-Week and other segments as well.

If you have a travel question you'd like answered on-air, or would like to suggest a travel topic for us to consider, don't hesitate to connect with us anytime using the 'Contact Us' tab on our website.

Wherever your next adventure takes you, be it for leisure or business, we wish you safe and happy travels.
