"Well you've done it Robert & Mary, thank you, thank you!!!! I thought I had him after your Washington DC tour stop, Maui certainly got his attention but it's too far for us consider right now, but after hearing Stop #7 on the tour, my husband finally agreed with me that it's time for us to travel and I'm writing to tell you that we just booked our flights to New Orleans for New Years! BTW, when I told our travel agent that listening to your different travels convinced us it's time to go somewhere, she told me that she also listens to your show too!"
