"I grew-up in Holly Hill, SC and lived there for 23 years before moving here to Texas. I have such great memories of our family trips to Myrtle Beach, and really enjoyed hearing your show today. You did the area proud and really captured so much of things to do there.

Where are you headed next?..."

"I flipped on our radio tonight here in Colorado Springs and heard you broadcasting from the beach there in Myrtle Beach earlier today. I was stationed at the Air Force Base in MB flying A-10 Warthogs in the early 90's before the government shut it down. Really enjoyed my time on the Grand Strand and your show today conjured up so many memories.

Any thoughts on bringing your great program out here to Colorado Springs?"
