... live from coast-to-coast, border-to-border and around-the-world on TuneIn ...

“Robert & Mary surprised every team member with their simplicity, friendliness, energy and of course, a passion for their work. I do not recall the last time I enjoyed so much when engaging with someone and hearing about the experiences they were having. Every time we had the chance to speak about their days in Lisbon, both were able to express their feelings in a way that I could easily see everything in my mind. I guess that is why their show is so successful! All the interactions with their team members during the preparation weeks were great, very detailed and professional. Robert & Mary arrived as partners but I truly felt, on the last day, that we were saying goodbye to two dear friends, that I wish to see again soon.

All the best, we will stay tuned-in from Lisbon.”

- Hugo Dias, Hotel Director @ The Emerald House Lisbon - Curio

“It was a real delight having Robert & Mary aboard the AmaDouro ship on the spectacular Douro River here in Portugal. Their enthusiasm and grace were spread with guests and crew! AmaWaterways and RMWorldTravel have been wonderful partners for a while, and it seems this team will be together for many years to come. Again, it was a pleasure having them onboard and be part of their popular program. I personally hope to meet them again in the near future on one of our other cruises around the world.”
