## **A PERSONAL MESSAGE FROM HOSTS ROBERT & MARY CAREY**

*"For those of you who listen regularly to our national show -- or know us personally -- you know that Maui is a place that we truly love. We've visited many times over the past 25+ years -- and the August 8th fires were hard to watch from afar. We knew after what occurred on the island that it was important for us to respectfully get back to Maui with the show -- and via Travel & Tourism -- focus the Power and Reach of the Program to positively impact its People and Businesses! Maui is open!! The Aloha Spirit is alive and well -- if you've ever thought about visiting Maui -- or you're eager to return -- now is the time! All week we encountered locals thanking us for coming back... None of us can change what happened with the fires in early August but we can all have a positive impact on Maui's communities. Everything that's happened would be exacerbated if the people of the island also lost their incomes -- jobs -- and businesses because Maui is a place where Travel & Tourism is the #1 source of Revenue! Our special "Let's Go America! Tour" - Maui and live remote broadcast turned out to be a nice balance between what you can still do, mixed with honest commentary and insights plus what we're most proud of -- meaningful impact that's positively benefited Maui now, in the coming days ahead and down the road in the future too."*

*"I have been in broadcasting for over 40 years and have to say I've never seen such professionalism before as I've experienced with Robert & Mary and the RMWorldTravel team! Every detail was taken care of to create a perfect setting for a beautiful broadcast. The love and care Robert & Mary feel for Maui was conveyed with a sincere and heartfelt conviction. I know how much teamwork is needed to create this kind of live broadcast, so I appreciate the efforts of all those involved. It was a true pleasure to be a part of this special event."*

"I will remember that each step I take is upon land that is someone's home, sacred site, and living history. If I do not know proper, respectful, or safe behavior, it is my kuleana (responsibility) to 'imi na'auao (seek knowledge) and ask before acting." From the Malama County Pledge.

This week we're on Maui for a Special "Let's Go America! Tour" as we focus the power and reach of America's #1 Travel Radio Show on this island we love, and work to deliver meaningful impact to the people and businesses on Maui. Join us on Saturday from 10a-12p ET as our national broadcast is transmitted out to our 530+ weekly affiliates across the USA from the Waldorf Astoria Grand Wailea Resort as we share some of the Aloha spirit, discuss all the things you can still do when you travel here, offer up ways you can volunteer like we will, or help from your own area by buying products from hundreds of different Maui based businesses. Today we visited with some local government officials, members of the Catholic Church community and reconnected with friends in Makawao while helping support their local economy 🙏

Celebrating 50 years in 2023, they were significantly impacted by the Lahaina fires of Aug 8th, and to keep their team and all their employees they've relocated to Maalaea Harbor to continue operations for travelers visiting Maui. Hear our interview with 3rd generation co-owner Captain Riley Coon on Saturday from 10a-Noon ET via 1 of our 530 weekly stations across the USA, when we broadcast America's #1 Travel Radio Show from the Waldorf Astoria Grand Wailea Resort...#mauistrong
