"My live national interview with Robert & Mary Carey during the 'Let's Go America! Tour' - Virginia Beach broadcast was a delight! They showed a real interest and true appreciation for what Virginia Beach has to offer to visitors and residents alike. We've always been very proud of our city - Virginia's Largest City - and its people, and The Careys shared many of the things about what makes our city so great. The national show was organized and performed so professionally that the interview was a breeze. I look forward to staying in touch with them and told Robert & Mary they ALWAYS have an open invitation to come back and visit me and all of us and 'Hit the Beach!'"

“...Robert & Mary LOVING on Virginia! I've followed your daily travels on social, heard you Tuesday on WNIS with Tony Macrini, and really enjoyed today's broadcast from the beach! So cool that you had the Mayor on as he's a wonderful man who has definitely been able to get things done. I moved to Chesapeake 12 years ago from Dayton and it's been the best decision I ever made. Love this area of our country, and so glad knowing you really enjoy it too! Keep up the great work...”

“What great radio you bring to our community, really enjoyed hearing you in Virginia Beach as we like the Greater Tidewater area. Wanted you to know that you're our favorite show on AM 640 and that's about the highest praise I can give since we also listen to Gilbert Baez, Sean Hannity and Mark Levin regularly too! Your show stands out above the crowd and is so fast that it never feels like 2 hours, although I wish my station would air you live on SAT instead of SUN morning and I've called to share my desires with the station!”

“We were so excited to hear how much fun Robert & Mary had staying at the Ocean Beach Club and the Oceanaire resorts nestled in the heart of Virginia Beach. They were able to visit and enjoy the boardwalk, the pristine beaches, many local restaurants and the blocks of shopping. We appreciate they took those experiences and shared them with listeners nationwide through the big “Let's Go America Tour” - Virginia Beach. I'll also add that owners, members, guests and team members at the resort enjoyed seeing the live broadcast featuring some of their favorite local places!”

“...I am one of the people who voted in your Travel Polls on the website who has never been to Virginia. Your enthusiasm for Virginia stimulated my travel bug and I'm showing a positive infection that says I need to visit. I told my husband Virginia Beach is a place I want to go and we've starting planning for a visit this Fall. I hope you'll be ok giving us some pointers and I'll definitely give you a report on what we see and do. I know you've been here to Portland from a comment you made on the show recently, sorry we missed you...”
