From our iconic and unforgettable sail away from New York City, to a sun-soaked exploration of the Caribbean, their passion for luxury travel has shone through. It has been incredibly exciting for both our guests and crew to have America's #1 Travel Radio Show on board. "...Now I get it!!!! OMG Robert & Mary it's been right there in the front of me all this time and I didn't get it until today!! A-B-C for Aruba, Bonaire and Curacao!!! Never been to any of them but they sound amazing and now I'm so intrigued! My husband and I have been going back and further trying to figure out where you were going and I loved listening today to the broadcast to find out. Regent sounds like they "get it" and are in a class of their own. How do they differ from past cruises you've done?"

"You may remember I wrote in earlier this year when you did a show from the Caribbean and shared that my husband and I did a cruise on Norwegian a few years ago. Well once again I can honestly say that our experiences were absolutely nothing like what you shared on the Regent ship that I believe is the top of the line operation of NCL group. The General Manager sounded like an in-command man who has the ship running right for everyone. We're considering traveling with you Robert & Mary on the Regent ship you've talked about next year for that fan trip. Hope it works out, I'd like to go to all those places with you!"

"...What a totally fabulous way to travel between New York City and Miami, wow! And all those other islands visited in between, it's wonderful how you share these places with us. Great show, bravo!"

"You've literally and figuratively warmed my heart here in chilly Cleveland, giving me inspiration to find the sun and fun down on Aruba or Bonaire (which I've not been very familiar with) and Curacao. Great itinerary and another awesome day spent listening to you on my radio."

For Day 4, Robert & Mary Carey found themselves on St. Lucia and they spent most of the morning touring the city and attending a Mass at The Minor Basilica of the Immaculate Conception that was built in 1897. They also experienced one of the many excursions provided by Regent Seven Seas Cruises featuring a Trolley Train and visiting Vigie Beach. Back on Seven Seas Splendor in the afternoon they enjoyed time in the Sauna (there's the option of a Cold Room, Steam Sauna and Dry Sauna), and some quiet time reading in the library. Tune in this Saturday, November 15th from 10a-12p ET as The Careys broadcast America's #1 Travel Radio Show live via satellite across the USA to our 610 weekly stations from Aruba. Nutmeg? Cinnamon? With Thanksgiving, Christmas and the holiday season ahead, where do you go to get some of the best spices in the world? Grenada aka "Spice Isle"! On Day 6 of the big "Let's Go America! Tour" - NYC to MIA via The ABCs that's exactly what Robert & Mary Carey did as they travel with new show partner, Regent Seven Seas Cruises.
