"Hosting Robert & Mary Carey and the RMWorldTravel team for the "Let's Go America! Tour - Park City" at Sunrise Lodge, a Hilton Grand Vacations Club, has been an outstanding experience for our resort and our team. Their energy, authenticity and genuine passion for travel were evident from the moment they arrived, and their interactions with both our leadership and frontline team members were warm, engaging and memorable. Robert & Mary have a remarkable ability to connect with people and truly bring a destination to life, both on-air and in-person. “Park City, OMG!! Great show today and it meant so much since this is where we ski with our family! It’s so true what one of your guests said about going there for the snow but staying for the summer! It’s just such a beautiful part of our country, and super easy to get there from the SLC airport. What surprises people who’ve traveled there with us is it literally has everything you’ll need and is one of the best self-contained places we’ve traveled! We actually didn’t go this year because of some other commitments but I’m sending in this message because after hearing your show on the radio today it stirred my yearn and made me realize how much we miss it. We’ll definitely be back in 2027!”

“Robert & Mary, I don’t normally write like this to the radio shows I listen to, but every time I tune in to your excellent show, I learn something new and your love for our Country is so refreshing to hear. I never gave travel to Utah much thought until today and that’s all because of you. Please keep it up and know you have a listener for life here in Fayetteville.”

“...I really enjoyed your live broadcast from Utah today, sounds like you had a blast. The Executive in charge of the 2034 Olympics did a really good job. My wife and I will be checking out the FamilySeach Library, I had no idea about it and sounds very cool. I’m not sure if you take recommendations about where to schedule these “Let’s Go America! Tours” or what is required, but if you allow me the opportunity to be so bold, would you please consider our fun city of Cleveland. We of course have the Guardians and Browns, but the Rock & Roll Hall of Fame, Cleveland Museum of Art, West Side Market, University Circle, our incredible food scene, etc. would be wonderful to have you here. I’m well connected in the community and can help make it happen!”
